Dear Mr. Jones:

This letter is in response to your requests for additional information, dated January 21, 2015. Your letters indicate that the Committee may have failed to file 48 hour reports of independent expenditure.

In reviewing our records, the Commission is correct, the Committee inadvertently failed to file the referenced reports. However, please note that the Committee filed over 50 24 and 48 hour notices on time during the 2014 cycle. The Committee made every effort to file all notices in a timely manner. The Committee has reviewed and streamlined its procedures for future filings and will make every effort to ensure they are filed on time.
